DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 19 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

3. Claim 19 recites the limitation “at least one of a forearm pad, a handgrip assembly and a transverse frame member”, which is unclear as written. The claim appears to be an attempt at a *Markush* type claim (see MPEP 2173.05(h)), wherein 1) alternative expressions are permitted if they present no uncertainty or ambiguity with respect to the question of scope or clarity of the claims, and, 2) members are “selected from the group consisting: of A, B, C and D”. In this case, ambiguity arises due to the specification disclosing at least one of a forearm pad and at least one of a transverse frame member—with a handgrip assembly being included in an alternative embodiment.

Allowable Subject Matter

4. Claims 1 – 3, 5 – 10, 13 and 15 – 18 are allowed.
5. The reasons for the indication of allowable subject matter have been stated in the previous Office Action, mailed 25 AUG 04.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
